Welcome

TO SYNERGY DANCE NANAIMO 2024

Welcome to the 17th season of Synergy Dance Competition! We have been dancing on Vancouver Island since our company began and we love coming over from the mainland to connect with dancers here. If your friends and family are unable to join us in person don't forget to direct them to the homepage of our website so they can enjoy the performances on livestream.

We would like to welcome judge Sarah Cherewko from Montreal, and Stephanie Correia and Robert Jensen from Toronto to our adjudication panel for this event. We thank them for their continued commitment and dedication to the preservation and expansion of the arts.

This season the Maestro our master of ceremonies will be celebrating his 10th anniversary with us and we would like to thank him for his energy, support and joy over the last decade.

Synergy Dance Competition qualifies for the GDS BC Dance Provincial Finals May 24-25-26 at the Great Canadian Casino Vancouver in Coquitlam (formerly Hard Rock Casino). Stay tuned on the Global Dance Services website for Provincial Finals qualifiers!

RULES OF PARTICIPATION

1. **NO QUESTIONS** - The toy peanut is hidden, you have to find it. It's that simple - like hide and seek, we did the hiding you do the seeking. The sparkle squad is busy running the event and cannot support peanut questions, it clogs up the line and slows our ability to serve others.
2. **THE PEANUT IS ALWAYS HIDDEN BUT IT IS NOT** - In the bathroom, outside, or in anyone's private belongings. It is not in any private changing areas. It is not in the kitchen or the theatre's private areas. You do not need to move anything heavy to find it.
3. **NO HINTS** - See rule number one.
4. **NO SMALL HINTS** - See rule number three.
5. **THESE RULES ARE FINAL AND WILL NOT CHANGE**. See rules number one and two for everything you need to know.

**Yes, there is always a peanut hidden!
It's the very first thing we do when we arrive before you do!**

COMPETITION ETIQUETTE

FOR DANCERS

1. Share the dressing room space.

There is limited space at most venues, be kind to one another and share the space as best you can.

2. Share the warm up space.

Take turns running dances in the larger areas with music; give priority to those dancers whom are earliest in the performance lineup. Allow all dancers from all studios to warm up properly.

3. Keep the space clean.

Make sure all of your Starbucks and drinks have been emptied in the sink before they are put into the trash or recycling. Wash out the sink. Throw garbage away. Wipe up any spilled glitter or makeup. Collect bobby pins and safety pins. Tidy the mess you see even if you didn't create it. We are all working together to make sure events can continue to run in theatre venues.

4. Respect the space and the belongings of others.

There is no tolerance for theft or damaging of others property.

5. Keep the positive spirit so we all rise together.

You are responsible for the positive energy you bring to your social experiences. Negative energy is infectious and can ruin experiences for everyone. Some days, losses are more difficult than others, but there is always room for reflection and growth each time you step on stage. Be open to this growth, be kind to others and everyone will rise together.

6. Respect and support your fellow competitor.

We are all on this dance journey together and without the fellow competitor there is no competition. Clap for all performers not just those you know.

7. Keep backstage clear and quiet.

Do not come backstage early and congestion the area. This is not only distracting for those that are on stage it can impede their ability to perform properly or make a run around. Stay behind the designated lines when you are in queue to perform. **Backstage is a quiet zone**, there are staff on headsets and microphones - screaming transfers right into the headsets of those working the lighting and sound.

8. Be thankful of your opportunities and demonstrate fair play

Remember to thank those that support you in your dance journey. Be grateful for your opportunities to dance even when the results don't play out the way you may hope. Thank your teachers for the time they volunteer to be present for you. Make eye contact with the judges and thank them for awards they present to you.

And most importantly... **Have Fun and Live in the Moment!**

COMPETITION ETIQUETTE

FOR AUDIENCE

We're so happy you are here. We'd like to remind you about proper audience etiquette, which will ensure that everyone has a welcoming positive dance experience.

1. Cheer for everyone, not only your dance friends and members of your studio.

It's not a great feeling to enter the stage after a thunderous round of applause for the previous dancer and then hear crickets when you're done your performance shortly after. Everyone is working hard and deserves the same appreciation, crowd love and support.

2. Enter and exit in between performances only.

We know that ballroom style events allow entering and exiting whenever you like and it is suited for that style of event. We are a theatre-based event company and stick to more traditional theatre rules to maintain the preservation of theatre arts and culture. Imagine how it feels to be the dancer showcasing their hard work only to see people leaving the theatre in the middle of their performance while they are still on stage. It's also rude and distracting to the other audience members watching their loved ones. Lastly, nobody wants your head in their video. Theatre etiquette and ballroom etiquette differ slightly, so please be mindful of this.

3. Turn your cellphones ringer off.

It's rude to the performers on stage and everyone around you.

4. No Photos or Videos during performances.

There are many reasons for this: It's never okay to take photos/videos of minors without expressed permission. We cannot be sure which guardian belongs to which child at all times so even if you are taking photos of your own child it's not permitted inside the seated area of the theatre. It's distracting to both the dancers and the audience. And lastly, it's required for the protection of choreographic and artistic copyright. See the next page for Photo/Video contact.

5. Respect the space and leave the facility cleaner than you found it.

Keep your feet off the back of theatre seats. Consume food and drink only in permitted areas, throw away garbage and recycle when possible. Tidy any mess from others at the end of the evening. It is becoming increasingly more difficult to host dance competitions in theatre venues; please respect the space you are provided.

6. Keep your distance when possible and stay home if you are sick (enjoy the performances on livestream instead).

Wash your hands frequently. Coordinate meeting points with your dancer when you arrive and keep the main traffic flow areas clear so that people can move about the facility easily. GDS designates security meeting areas and pick up zones that don't impede hallway traffic flow in tighter venues.

Sarah's passion for dance is clear and quite contagious. She brings an unmatched enthusiasm to her work and leads by example with authenticity and vulnerability. Originally from Calgary, AB, Sarah trained extensively in RAD and Cecchetti ballet, Al Gilbert tap, ADAPT tap and jazz, lyrical, modern, acro, contemporary, musical theater and hip hop while dancing competitively until the age of seventeen. Throughout her youth as part of a non-profit touring performance company, she had had the opportunity to perform in England, Scotland, Australia, New Zealand, Spain and Morocco and at 18, signed her first of many contracts as a dancer with Carnival Cruise Lines. After moving to Montreal in 2011, her passion for teaching grew stronger and she transitioned out of performing and began working exclusively as a teacher, choreographer and competitive adjudicator. Sarah's goal as an adjudicator is to help dancers foster faith in their creativity and confidence in their uniqueness.

As a certified Acrobatic Arts teacher, Sarah prides herself on providing a safe, fun and positive classroom environment where students can feel comfortable to explore movement, technique and ultimately experience vulnerability and personal growth. Sarah, now an accomplished teacher with twenty plus years of experience is an award winning and high score choreographer, a sought after adjudicator at many Canadian dance competitions and in her free time is studying to become a youth counsellor.

"They say dance like nobody's watching. I think that implies that we are afraid or ashamed to dance in front of people. I say dance like everybody is watching, dance like your children are watching, your ancestors, your family. Dance for those who are hurting, those who can't dance, those who lost loved ones, and for those that suffer injustices throughout the world. Let every step be a prayer for humanity!" -Supaman

LEVELS

PRE-COMPETITIVE LEVELS

PRE-COMPETITIVE – TIER TWO

Recreational with limited experience

The truly recreational dancer at the beginner level with no experience.

PRE-COMPETITIVE - TIER ONE

Advanced Recreational

The advanced recreational dancer that has some performance experience.

COMPETITIVE LEVELS

COMPETITIVE – TIER THREE

Novice Competitive/Limited Hours Competitive

This dancer has some experience from recreational programs and has decided to take their dancing to the next level by adding additional training. They are still at the beginning of their competitive dance journey and may be a novice soloist -or- they may have some experience but have not ever trained more than 3-5 hours a week.

COMPETITIVE – TIER TWO

Intermediate Competitive - Late starters or Less Training Hours

This level is for the competitive dancer with slightly less experience because this dancer may have started late, coming from another movement activity such as gymnastics, cheer or soccer. Or, this dancer may train 5-7 hours a week as a guideline. This division advances to the Paradym Dance Challenge finals in the Competitive Tier Two - 5-12yrs and 13-19yrs divisions but does not advance to the GDS Provincial Finals.

COMPETITIVE - TIER ONE

Advanced Competitive - Company Studio Dancers

The highest level of competition, these dancers often train more than 8 hours a week and take several technical foundation classes weekly. They may attend summer programs or opportunities such as masterclasses and conventions. These competitive dancers may participate in various additional training opportunities and are considered “company” dancers at their studio. These dancers may or may not want a career in dance after school but they are dedicated to their dance training and are working towards refining their technique. As the main competitive division this level has the tournament-style finals for every age division and advances to the GDS Provincial Finals.

Note for Placement of Younger Dancers:

***Please note that dancers that are being trained to eventually enter full company programs in the 5-6/7-8 ages are best suited for Tier One even though they may be doing less hours because of their younger age.
